To watch videos on your own schedule, visit the [Self-Paced Learning](#) page and select 'Online Course' under the Type filter to the left. Quizzes for credit are available through Trane Education Center (TEC).

Quiz instructions: Click "Start Quiz" in the top right to either log in or create an account in TEC. Once you have successfully logged into TEC, enroll in the course and click 'play next to the yellow quiz object near the center of the screen. Once you have successfully completed the quiz (100% score is required but you can take the quiz as many times as needed), you will then navigate to My Learning History in order to download your certificate. If you have any issues with TEC, click here to send an email.
